

Dear Business Teacher:

The Eastern Illinois Business Education Association (EiBEA) officers do their best to provide you access to quality information that you can use in the classroom. Our efforts include the EiBEA website, a new EiBEA facebook page, and professional development, including the upcoming spring meeting.

The EiBEA website is continually maintained to provide access to information related to the Association. One piece of information on the site is about the EiBEA Teacher of the Year Award. Recognizing our fellow teachers for their hard work is easy to do. To nominate a deserving teacher for the EiBEA Teacher of the Year Award, send a letter of nomination to Lynnette DuSablon, Awards Chair, at ldusablon@jccu1.org by February 15.

In order to provide information quickly and share ideas, we established an EiBEA Facebook page. We hope you will join the EiBEA Illinois page (<https://www.facebook.com/eibeaininois>) if you use Facebook.

The EiBEA spring meeting is scheduled for Wednesday, March 28, at Richard's Farm in Casey at 5:00 p.m. During the meeting Diane Mahinda from the Curriculum Revitalization Project will be presenting on Common Core Standards for Business Education. This is a timely presentation with the update of the Illinois Learning Standards. CPDUs will be offered for those attending the meeting. Please return the completed form found at the bottom of this page and payment to Sheryl Brummer by February 29.

If you are interested in serving as an officer for EiBEA, please be sure to attend the meeting. It is a great way to stay involved in your professional organization and to develop relationships with your colleagues.

Please share this information with other business teachers. We hope to see you at the meeting!!!
